

March 24, 1987

To Mr. John Scarpellini:

You have my permission to make a World Series Ring for Mr. Joseph Cambra of 55 Captains Way, Somerset, Massachusetts 02726. Mr. Cambra is a very dear and a very close friend of mine. I would like, if possible, for him to have the ring like the Mets had last year. I think it is the one with the 3/4 carot diamond in the center of the ring, plus surrounded by 24 diamond chips. The other ring, I think, is with one diamond in the center of the ring, plus surrounded by 24 diamond chips. It would be a big favor on your part if it could be made for him because like I said he is my number one friend and a real good person. Mr. Cambra is the Uncle by marriage to Mr. Mike Ponton who is a Supervisor for you and the Balfour Company. You can get in touch with me at the Cincinnati Reds office at 100 Riverfront Stadium, Cincinnati, Ohio 45202.

Yours Truly,

Pete Rose  
Manager of the Cincinnati Reds
